I won't list my arguments here (the list is too long, and I'm not certain the content of this e-mail will be read), but having followed the case I feel the SETTLEMENT IS NOT ACCEPTABLE.

BTW, I own 20 shares of Microsoft stock, and that is the only stock I own that is not in a mutual fund. I should be biased toward MS, but even owning their stock I consider them a threat to the long-term well-being of our country.
